# COURSE OVERVIEW

This training course offers learners the opportunity to develop their Italian language skills through communicative, cultural and practical activities suitable for all levels from A1 to C1. Participants work with authentic materials, interactive tasks and real-life situations to improve vocabulary, grammar, listening and speaking. The course provides structured progression, personalised support and engaging strategies to enhance fluency, confidence and cultural understanding while exploring the richness of the Italian language and its everyday use.

# METHODOLOGY

The course adopts a communicative, learner-centered approach, combining:

- interactive speaking and listening workshops
- grammar and vocabulary practice through real-life tasks
- group and pair work with guided feedback
- role-plays, simulations and cultural activities
- digital and AI-supported tools for language development

Participants will follow level-appropriate activities and practise Italian in meaningful contexts

# TARGET GROUP
