COURSE OVERVIEW

This training course introduces educators to Montessori-inspired approaches for creating inclusive learning environments for SEND students. Participants explore how structured materials, guided independence and sensory-based activities can support attention, autonomy and language development. The course presents practical strategies for adapting Montessori principles to diverse classrooms, designing calm, organised spaces and promoting hands-on learning experiences that enhance engagement and meaningful participation for all learners.

METHODOLOGY

The course adopts a practical, learner-centered approach, combining:

- workshops on Montessori principles
- analysis of inclusive classroom environments
- creation of hands-on materials and activities
- micro-teaching with peer observation
- digital and assistive tools for SEND support

Participants will design Montessori-inspired tasks and exchange best practices.

TARGET GROUP

- Regional and local authorities;
- School/ adult centre management department, collaborators and volunteers
- Teachers & school staff

LEARNING OUTCOMES

By the end of the course, participants will be able to:
